1. ARP ESSER Assurances

The American Recovery Plan - Elementary and Secondary School Emergency Relief Fund(ARP ESSER) is intended to address the impact that Novel Coronavirus Disease 2019 (COVID-19) has had, and continues to have, on elementary and secondary schools. ARP ESSER funds are used to prevent, prepare for, and respond to COVID-19.

☑ LEA shall, to the greatest extent practicable, continue to compensate its employees and contractors during the period of any disruptions or closures related to COVID-19, based on the unique financial circumstances of the entity.

☑ LEA will ensure that every recipient and sub recipient of ESSER funds will cooperate with any examination of records with respect to such funds by making records available for inspection, production, and examination, and authorized individuals available for interview and examination, upon the request of (i) the Department and/or its Inspector General; or (ii) any other federal agency, commission, or department in the lawful exercise of its jurisdiction and authority.

☑ Any LEA receiving funding under this program will have on file with the SEA a set of assurances that meets the requirements of section 442 of the General Education Provisions Act (GEPA) (20 U.S.C. 1232e)

☑ LEA will ensure that it will comply with the requirements of section 427 of GEPA (20 U.S.C. 1228a). The LEA commits to maintaining and will produce upon request by the (i) the Department and/or its Inspector General; or (ii) any other federal agency, commission, or department in the lawful exercise of its jurisdiction and authority, a description of how the LEA complied with this requirement including putting in place steps to permit students, teachers and other program beneficiaries to overcome barriers (including barriers based on gender, race, color, national origin, disability and age) that might impede equal access to, or participation in, the program.

☑ Records pertaining to the ARP ESSER award under 2 C.F.R. § 200.334 and 34 C.F.R. § 76.730, including financial records related to use of grant funds, will be retained separately from an LEA's ESSER funds. The LEA will cooperate with any examination of records with respect to such funds by making records available for inspection, production, and examination, and authorized individuals available for interview and examination, upon the request of (i) the Department and/or its Inspector General; or (ii) any other federal agency, commission, or department in the lawful exercise of its jurisdiction and authority.

2. ARP ESSER Requirements

The LEA acknowledges and agrees to the following additional requirements of ARP ESSER:

☑ The LEA will comply with the maintenance of equity provision in section 2004(c) of the ARP.

☑ Not less than 20 percent of the LEA's total ARP ESSER allocation will be used to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, extended school year programs, or other evidence-based interventions, and ensure that such interventions respond to students' academic, social, and emotional needs and

address the disproportionate impact of COVID-19 on student subgroups (each major racial and ethnic group, children from low-income families, children with disabilities, English learners, gender, migrant students, students experiencing homelessness, and children and youth in foster care).

☑ An LEA that receives ARP ESSER funds will either: (a) within 30 days of receipt of the funds, will develop, seek public comment and make publicly available on the LEA's website a plan for the safe return of in-person instruction and continuity of services as required in section 2001(i)(1) of the ARP, or (b) developed and made publicly available on the LEA's website such a plan that meets statutory requirements before the enactment of the ARP. The LEA shall review its plan at least every six months (taking into consideration the timing of significant changes to CDC Guidance on reopening schools).

☑ The LEA will complete any reporting requested by the SEA to comply with all ARP ESSER reporting requirements, including:
• policies and plans in line with the CDC guidance related to addressing COVID-19 in schools;
• plans and policies related to State support for return to in-person instruction and maximizing in-person instruction time, including how funds will support a return to and maximize in-person instruction time, and advance equity and inclusivity in participation in in-person instruction;
• data on each school's mode of instruction (remote, hybrid, in-person) and conditions;
• LEA uses of funds to meet students' social, emotional, and academic needs, including through summer enrichment programming and other evidence-based interventions, and how they advance equity for underserved students;
• LEA uses of funds to sustain and support access to early childhood education programs;
• impacts and outcomes (disaggregated by student subgroup) through use of ARP ESSER funding (e.g., quantitative and qualitative results of ARP ESSER funding, including on personnel, student learning, and budgeting at the school and district level);
• student data (disaggregated by student subgroup) related to how the COVID-19 pandemic has affected instruction and learning.

3. ARP ESSER Plan

☑ The LEA certifies that it has engaged in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of its plan. Specifically, an LEA has engaged in meaningful consultation with students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions. Additionally, the LEA has engaged in meaningful consultation with each of the following, to the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

☑ The LEA certifies that the ARP ESSER plan is provided in an understandable and uniform format; to the extent practicable, written in a language that parents can understand or, if not practicable, orally translated; and, upon request by a parent who is an individual with a disability, provided in an alternative format accessible to that parent.

1. How will ARP ESSER funds be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning?

> ARP ESSER funds will be used to continue to employ additonal custodial staff for the purpose of increased cleaning and santization throughout the building and grounds. ARP funds will also be used to increase ventilation and air flow by air conditioning gym areas.

2. How will the LEA use the funds it reserves under section 2001(e)(1) of the ARP Act to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool

programs, or extended school year?

> The distrcit willluse ARP ESSER funds to continue to employ an intervention specialist, a part time intervention teacher, After School Coordinator, After School teachers, summer school teachers, paraprofessional, and continue a digital academy.

3. How will the LEA spend its remaining ARP ESSER funds consistent with section 2001(e)(2) of the ARP Act?

> Remaining funds will be used to install new air conditioning systems in the building/gym areas.

4. How will the LEA ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) of the ARP Act to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

> The district will offer an after school program for targeted students to address learning gaps. Additionally, the district will offer a 5 week summer school to provide intervention, credit recovery and tutoring to address student academic needs as a result of COVID-19. District will identify students based on STAR, grades, credit deficiencies, teacher recommendations, Fountas and Pinell benchmarking and district developed common assessments. The district will partner with Ohio Northern University's Education Department for our after-school program.

5. Briefly describe how the LEA determined its most important educational needs as a result of COVID-19.

> The district determied greatest needs through planning with our District Leadership Team, Building Leadership Team and Teacher Based Teams. The team reviewed staffing and the need to maintain our paraprofessional staff, provide after school programing (tutoring),

| 12 | 5.a.) Estimated number of jobs created or retained as a result of this funding.

6. Briefly describe the LEA's proposed timeline for providing services and assistance to students and staff with these funds.

> The district will utilize ARP funds beginning with the 2022-2023 school year. Summer School will take place after the 2021-2022 and 2022-2023 school years. After school program will begin in the fall 2021. Digital Academy will also begin in the Fall of 2021.

7. Briefly describe the extent to which the LEA intends to use ARP ESSER funds to promote remote learning.

ARP funds will be used to continue to employ a teacher for the district digital academy. This will provide students with the choice of an online option/remote option for delivery of educational services.

8. Describe the LEA's plan for addressing learning loss by: administering and using high-quality assessments to assess students' academic progress and meet students' academic needs, including through differentiating instruction; implementing evidence-based activities to meet the comprehensive needs of students; providing information and assistance to parents and families on how they can effectively support students, including in a distance learning environment; and/or tracking student attendance and improving student engagement in distance education.

The district will administer varied assessments including STAR, F & P Benchmarking, district developed common assessments and will monitor grades and credit aquisition at the high school level. Professional development for taachers will focus on differentiating instruction, the science of reading, explicit phonics instruction and high quality instructional strategies. Through the digital academy, students will be monitored by a teacher and wiill be utilizing the Edmentum platform for coursework. Student attendance and progress through the online academy will be tracked through the Edmentum program. Teacher assigned to the digital academy will follow up with families regarding students' attendance and progress.
